## BIBLE IN A YEAR- Intro to the New Testament

### The Keynote of the NT

1. In light of the OT, the keynote of the NT is fulfillment.
2. Matthew writes the phrase "that it might be fulfilled" 12 times.
  - a. Matt. 5:17; Mark 1:15; Luke 4:21; John says might be fulfilled 7 times.
3. To fulfill means to bring to actuality or make real.
4. Christ is the fulfillment of all the prophets saw and all the people hoped for.

### The Four Gospels

1. Not biographies; four unique revelations of Jesus Christ.
2. Significant parallel to Ezekiel's vision Ezek. 1:4-6, 10.
  - a. Mathew reveals Jesus as the Messiah-King, or the lion.
    - i. To Hebrews, who were logical. "Prove it"
  - b. Mark reveals Jesus as the Suffering Servant, or the ox.
    - i. To Romans, who were experiential. "Do It"
  - c. Luke reveals Jesus as the Son of Man, or the man.
    - i. To Greeks, who were knowledgeable. "Show It"
  - d. John reveals Jesus as the Son of God, or the eagle.
    - i. To Humanity, who are faith beings. "Believe It"

Summary: As Sovereign, He came to reign and rule. As Servant, He comes to serve and suffer. As Son of Man, He comes to share and sympathize. As Son of God, He comes to redeem. In the four gospels we see His sovereignty, humility, humanity and deity.
